

## ENVIRONMENTAL POLICY

The Prima Services Group believes that the protection of the environment is an integral part of its business and that it has a duty to satisfy itself that all operations are conducted with due regard to the environment. In all aspects of the business our commitment is to achieve standards that aim to minimise or eliminate activities that will be detrimental to the environment.

The Company will achieve its environmental objectives by means of safe and efficient business practices which ensure a continued commitment to:

- Compliance with regulatory and statutory requirements.
- Promotion and support of 'best practices'.
- Encouraging its suppliers to demonstrate a commitment to environmental issues, policies and programmes.
- Maximising awareness and understanding of, and education about, environmental issues.
- Reinstating sites and working areas to their former condition, by removing debris and any contaminated materials.
- Co-operating with our clients and their environmental policies and procedures.
